What people are saying:

"I took your workshop a year ago and articulated that my personal action plan goal was to become a vice president of my firm. I used the power tool "Use what you've got" to differentiate myself and demonstrate my value to the company. Today, I was informed I am being promoted to vice president."—**Valerie Brown, Alliance Bernstein**

"Life changing...I feel more empowered than ever to take the lead, lean in, and embrace the POWER TO in my own career and development."—**Meg Middleton, Sales Training Manager**

"One of the most impacting and empowering leadership events I've attended during my fellowship. I feel confident I can draw on these insights and key learnings throughout my career."—**Rhonda Jaipaul-O'Garro, Hubert Humphrey Fellow, ASU Cronkite School**
