### SUPERVISOR SUPPORT

As a supervisor of a **50 Women Who Change The World** candidate, your role is important to her success. The program requires an investment of \$350 to cover a small portion of the program tuition and an investment in time. This means the participant will have to commit to time away from the office which includes a two day training program on September 28th and 29th ; program days from 10AM -4PM on October 30th and November 17th and a final program day and graduation ceremony on December 4th. The most successful participants from the program have a high level of support from their supervisors.

I have read the above and understand the time commitment required of a Take The Lead 50 Women Who Change The World program.

My signature below indicates my commitment to and understanding of the program requirements.
